To facilitate the construction of utility upgrades, four on-street car parking bays on the northern kerb of Magill Street will be temporarily occupied by a work safety exclusion zone.

This change will be in place for approximately two weeks from Monday 24 June 2019.

Temporary changes to the site hoarding and fencing will also occur as part of this work.

Work may be rescheduled due to unforeseen circumstances or inclement weather.

We thank you for your patience as we undertake this important work.
