

## Community Notice – Telstra Telecommunication Pit Relocation

### Telstra telecommunication pit relocation at the intersection of Botany and Magill Streets 19 February 2019 – 26 February 2019

In order to relocate a Telstra pit as part of the Randwick Campus Redevelopment, trenching is required across Magill Street at the intersection with Botany Street.

The existing telecommunications pit is located on the northern footpath at the intersection of Botany and Magill Streets. The pit will be relocated to the southern side of the intersection. There are no planned interruptions to residential Telstra services during this work.

Temporary single lane closures along Magill Street are required to safely undertake the trenching work. Access will be maintained for road users and pedestrians under the support of traffic control.

Intermittent vehicle stoppages are required along Botany Street to provide vehicle access to the work area. Vehicle and pedestrian access will be maintained at all times under the support of traffic control.

We thank you for your patience as we undertake this important work.

#### What can I expect to see?

Trenching work requires saw-cutting of the pavement and road surface, manual and machine digging, vacuum excavation, backfilling and road restoration. Work will require the use of a vacuum truck, small excavators, tipper truck and saw-cutters.

Both lanes will be re-opened at the end of each day. Backfilling and restoration of pavement and the road surface will occur at the completion of work.

#### Work hours

All work is scheduled to occur during approved site hours Monday – Friday 6:00am – 6:00pm and Saturday 8:00am – 5:00pm. Work may be rescheduled due to inclement weather or other unforeseen circumstances.

#### How will access be managed?

One lane will remain operational at all times with the support of traffic control. Access for residents will be strictly maintained. Road users and pedestrians will be diverted with the support of traffic controllers.

#### Getting in touch

We encourage you to get in touch if you have any questions or feedback about this work.

Please call us any time on 1800 571 866 or email [randwickcampusredevelopment@health.nsw.gov.au](mailto:randwickcampusredevelopment@health.nsw.gov.au).

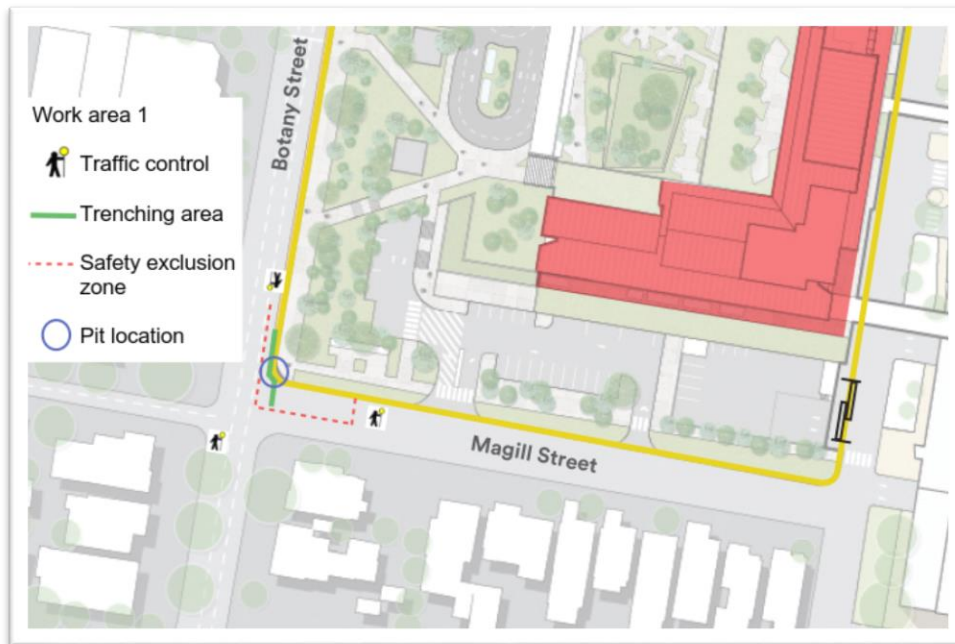

For an interpreter, call 131 450  
and ask them to call 02 9978 5402

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on 131 450 and ask them to phone Randwick Campus Redevelopment on 1800 571 866.
