

Changes to southbound bus stop on Botany Street near High Street - from Sunday 24 February 2019

The southbound bus stop on Botany Street near High Street will be temporarily relocated to enable construction activity as part of the Randwick Campus Redevelopment.

A temporary bus stop will be located between Arthur Street and Waratah Avenue, Randwick for about eight months.

This bus stop relocation only affects bus route 357 in the southbound direction (i.e. when heading towards Mascot) and does not impact the northbound bus stop.

Bus stop infrastructure will be installed at the temporary stop during early February. This will include installation of signage and seating and pruning of vegetation. This work will be carried out by project contractors.

All work is scheduled to occur during approved site hours. Monday – Friday 6am – 6pm and Saturday 8am – 5pm.

Work may be rescheduled due to inclement weather or other unforeseen circumstances.
