

## Rectification of potholes – intersection of Magill Street and Botany Street

**Saturday 6 November 2021**

Works to rectify potholes will take place at the intersection of Botany Street and Magill Street.

The rectification works will take place on **Saturday 6 November, between 8am to 1pm**. Traffic control will be in place while work is undertaken to ensure the safety of road users.

Access to and from Magill Street via Botany Street will be maintained at all times. Please note this work may be rescheduled due to inclement weather. We will inform the community if work is rescheduled.

**Thank you for your patience while we carry out this important work.**

*Location of potholes to be rectified on Magill Street*
