

Hospital Road Construction

Out of hours construction activity and temporary weekend closure of Delivery Drive

5pm Friday 22 October to 10pm Sunday 24 October

Out of hours construction activity is required to install support structures for the clinical and public link bridges connecting the ASB with the existing hospital campus.

Works will be undertaken in the Prince of Wales Hospital loading dock and involves the temporary closure of Delivery Drive between **5pm Friday 22 October to 10pm Sunday 24 October**.

Weekend works in the loading dock, Delivery Drive and Hospital Road will continue into 2022 on select weekends. These works have been approved during extended hours to ensure the continuity of hospital operations.

The Randwick Campus Redevelopment complies with strict environmental and planning controls. Measures are in place to monitor and manage noise, dust and vibration.

Planning for this temporary closure has occurred in close consultation with the Randwick Hospitals Campus.

Please note that work may be rescheduled due to weather or unforeseen circumstances such as workforce availability due to the nature of COVID-19.

Thank you for your patience while we progress these important works.
