

RANDWICK

CAMPUS REDEVELOPMENT

Temporary use of Construction Gate 3 on Hospital Road—Friday 13 March and Saturday 14 March 2020

Construction Gate 3, located on Hospital Road near Magill Street, will be temporarily activated to support construction vehicle access to/ from the southern section of site.

During this activity, approximately 30 trucks per day will enter and exit the site via Gate 3 using a temporary ramp.

This activity will occur during approved hours 6am to 6pm weekdays, and 8am to 5pm Saturday.

Construction vehicles will be minimised during peak traffic periods to reduce impacts on the Hospital Campus and local road network.

This activity is required to remove waste material from site. Any hazardous material identified will be removed by licenced contractors in accordance with legislative requirements and associated industry codes of practice.

All trucks will be covered prior to leaving site. Air quality monitoring and dust suppression measures will also be in place during this activity.

Botany Street Gate 1 will remain operational during this time providing construction access to the remainder of the site.
