

RANDWICK

CAMPUS REDEVELOPMENT

**Works rescheduled.
Now occurring week commencing
Monday 9 March.**

Services investigations on High Street near previous intersection with Eurimbla Avenue, one evening shift between Wednesday 4 March and Friday 6 March

Services investigations will be carried out on High Street, between Botany Street and Hospital Road, to inspect inground services. Work will occur outside the construction hoarding on the road pavement.

For traffic and safety reasons this work will occur out of hours between 9pm and 5am. One night of work is required.

To safely undertake work pedestrians and traffic diversions will be in place under the support of traffic control and road signage.

High Street will be closed to westbound traffic between Hospital Road and Botany Street. Access to private property will be maintained.

Services investigations requires saw cutting of the road service, vacuum excavation, backfilling and road restoration. A vacuum truck and personnel will be used to carry out this work.

Work may be rescheduled due to unforeseen circumstances or inclement weather.

We thank you for your patience as we undertake this important work.
