

Important information about access changes to Hospital Road

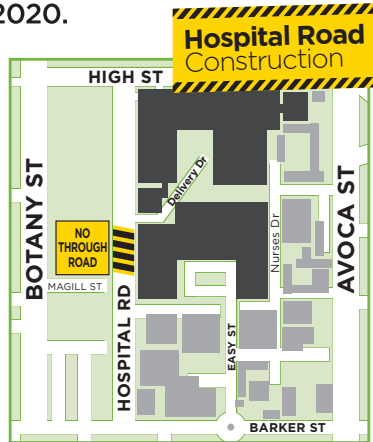

Hospital Road will close to all through-traffic including vehicles, pedestrians and bicycles from 23 March 2020.

Changes include:

- Access to Francis Martin Drive and the B2 and B3 levels of the Campus carpark will be maintained from Barker Street
- A new boom gate will soon be installed at the intersection of Hospital Road and Magill Street allowing access to the campus carpark between 7am and 10pm, 7 days per week
- Access to Delivery Drive will be from High Street during this stage of works.

Signed access routes to Adult and Children's Emergency and patient drop-offs are unaffected.

Thank you for your patience while we expand our world-class health, research and education facilities.
