

NOTICE OF CONSTRUCTION ACTIVITY

What is happening?

As part of completion activities for the Prince of Wales Hospital Acute Services Building and UNSW Eastern Extension, works on the building façade adjacent to Hospital Road will occur in April.

Upcoming works are scheduled for Saturday 15 April, between 8am and 5pm, weather permitting.

Activities will include glass panel replacement via rope access on the building façade.

During this work, there will no access to Delivery Drive (hospital loading docks 2-6) or Hospital Road north of the B3 car park entry/exit driveway.

Pedestrian and emergency vehicle access to the hospital will be maintained at all times through traffic control and detours. There is no impact to B2 and B3 car park access.

Alternate delivery/pick-up arrangements via Loading Dock 1 will be available for the duration of works on this date.
