

**Notification of weekend works –  
glazing panel installation, Saturday 9 to  
Sunday 10 September 2023**

As part of completion activities for the Prince of Wales Hospital Acute Services Building (ASB), weekend site activities to install a panel of glazing on the western façade of the building are scheduled.

**Works will be undertaken between the hours of 8am and 5pm daily on Saturday 9 and Sunday 10 September, weather permitting.**

Construction activities will include the establishment of rigging and lifting equipment used to install glazing panels, along with the use of power tools.

Some intermittent noise is likely as a result of these works.

For any questions or concerns about this work, please contact the project team.

Thank you for your patience while we finalise work on this exciting project.

*Please note that all activity dates and times are subject to change.*
